Membership

Jack Maxwell, Dist. 6110 Membership Chair

By April 1st, the Bixby Rotary club had inducted 23 new members and lost 16, for a net gain of 7 members. On that day, I inducted 3 new members and during this process, I remind the new members that they have certain responsibilities; they are expected to:

- Have regular attendance
- Do their part on our Club activities and Projects
- Represent Rotary in all aspects of their lives (4-way Test)
- Share Rotary with worthy acquaintances and bring them to visit our club, and
- Hopefully, sponsor one new member each year.

We then tell them, "We are confident you will do those things, and that is why you are here today." I then look each of them square in the eye, and ask them if they can bring in a new member. All of them confessed in front of our club that they could do this!

Don't panic just yet! I help them with the tools they need to answer questions from their new recruits. I place 4 documents in their induction packet we get from RI. They are:

IMPORTANT ITEMS

- Please remember to check your name on the attendance at the door.
- Please put cell phones on silent before the meeting.
- We understand that a member may sometimes need to leave the meeting early. If you do, please leave **before** the speaker begins his/her program.
- **PROGRAMS** - If you are aware of a program that would be of interest to our club, please contact **Kim Vann** at 624-4150 or email her at: kvann@joplincc.com
- **DAYBREAK WEBSITE**: Do you have news items for our website? For questions or additions, please see **Bill Trudeau** or e-mail him at: trudeau-w@mssu.edu
- **eCLUB ONE** (electronic make-up). Effective immediately, you now have the opportunity to process your make-ups on-line. Simply go to the website: www.rotaryclubone.org and click on "make-up info" to complete the short form, or just go to our website and click on "electronic make-up."

WE NEED CELL PHONES: Please continue to bring your old cell phones to Rotary and add them to our "donation box" at the check-in table. This is such an easy way to help fund the organizations we support!

Membership (cont.)

- A 3 page document titled "What is Rotary?"
- A 1 page that describes the application process of bringing a new member into our club.
- A 3 page document, "Service Opportunities within the Rotary club of Bixby." This tells them what projects and programs we are involved in, split out by the 4 avenues of Service.
- A 3 page document, entitled "The Value of Being a Rotarian". In this, I have written up 14 local projects that have been started by 1 or more Rotarians in the Tulsa area.

These documents can be easily modified for your club and your area. This year these documents have been emailed to every club in the district and were covered and handed out to those attending the 5 area Membership Development meetings we held in all 4 states.

SMILE!

Things Mom Would Never Say

- ☘ "How on earth can you see the TV sitting so far back?"
- ☘ "Yeah, I used to skip school a lot, too"
- ☘ "Just leave all the lights on ... it makes the house look more cheery"
- ☘ "Let me smell that shirt — Yeah, it's good for another week"
- ☘ "Go ahead and keep that stray dog, honey. I'll be glad to feed and walk him every day"
- ☘ "Well, if Timmy's mom says it's OK, that's good enough for me."
- ☘ "The curfew is just a general time to shoot for. It's not like I'm running a prison around here."
- ☘ "I don't have a tissue with me ... just use your sleeve"
- ☘ "Don't bother wearing a jacket - the wind-chill is bound to improve"

Happy Mother's Day

This must be working for our club, for 11 of the 23 new members were sponsored by a new Rotarian with less than 1 year with our club. In addition, there were 8 new members participating and 3 of them had brought in 2 other Rotarians.

It gets right back to our slogan this year. "Get your **ASK** in Gear!" New members will bring in other new members if you **ASK** them to do it and if they are provided the tools to do it.

As soon as the new members and their spon-

sors were seated after a Standing Round of Applause by our membership, one of our Charter members stood and said to the whole club, "Well, I don't know about the rest of you, but I am ashamed that the new members are bringing way more new Rotarians that we older ones are doing! We need to get off of our duff and join in. If they can do this, why can't each of us bring in 1 new member this year?"

I then applauded Her!
